

opis / description**PL:**

Inspiracją do powstania mebla był powszechnie obecny, choć często odbierany jako nietaktowny, nawyk stawiania nóg na stole. Rzeczywiście w towarzystwie może być to odebrane jako niegrzeczne ale kto w swoim własnym zaciszu domowym nie lubi wyciągnąć nóg przed siebie i trochę się zrelaksować? Stolik Franklin daje nam taką możliwość dzięki połączeniu funkcji stolika kawowego z miękkim, tapicerowanym podnóżkiem, który może również pełnić funkcję siedziska nie zajmując dodatkowego miejsca w salonie. Dzięki temu mebel ten świetnie sprawdza się w małych mieszkaniach, w których zależy nam na zaoszczędzeniu wolnej przestrzeni. Puf występuje w wersji standardowej oraz z praktycznym schowkiem.

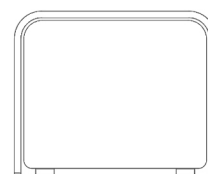

EN:

The inspiration for the creating Franklin Table was a widely present, though often perceived as tactless, habit of putting legs on the table. Indeed, in the company it can be perceived as impolite but who in his own home does not like to pull his legs out and relax a bit? Franklin table gives us that opportunity thanks to the combination of the coffee table function with a soft, upholstered footrest, which can also serve as a seat without taking up additional space in the living room. The pouffe comes in a standard version and with a storage compartment inside.
